Hypercaloric Diet

A. A Hypercaloric Diet shall be prescribed only for those patients (offenders) with a chronic infectious disease that due to the stresses of the disease requires additional calories beyond that provided by the regular menu.

B. The Hypercaloric Diet provides 3,000 – 4,000 calories per day.

C. The diet order is for a Hypercaloric Diet, there is no **Hypercaloric Diet for DFH** nor is there a **Double Portion Diet** in TDCJ.

D. Patients (offenders) with a Hypercaloric Diet order during a lockdown will be fed according to the Hypercaloric Diet Sack Meal Menu.

E. Patients (offenders) with a Hypercaloric Diet order that are on food loaf shall be fed double portions of food loaf at each meal.
