PARDONS AND PAROLES**

**Number:** BPP-POL. 145.255

**Supersedes:** BPP-POL. 04-12.01  
Dated December 15, 2004

## **BOARD POLICY**

---

**SUBJECT:** SPECIAL CONDITION "L" (MAXIMUM LEVEL OF SUPERVISION)

**PURPOSE:** To establish "L" as a special condition of parole or mandatory supervision.

**AUTHORITY:** Texas Government Code Sections 508.0441, 508.045 and 508.221

**DISCUSSION:** Members of the Texas Board of Pardons and Paroles (Board) and Parole Commissioners determine conditions of parole and mandatory supervision. Except in special circumstances, Board Members and Parole Commissioners act in panels comprised of three persons, and panel decisions are made by majority vote. The Presiding Officer designates the parole panels. Special conditions are conditions imposed in addition to the standard conditions of parole or mandatory supervision. Unless otherwise provided, any condition may be imposed before or after release and shall remain in effect until specifically removed by a parole panel.

**POLICY:** Special Condition "L" (Maximum Level of Supervision) - is appropriate for imposition when a higher level of supervision is warranted upon release or after violations of parole or mandatory supervision.

Special condition "L" represents a cooperative effort between the Board of Pardons and Paroles and TDCJ Parole Division to ensure the successful compliance by an offender while minimizing the potential threat to the community. Whereas parole panels are vested with the authority to impose conditions of parole or mandatory supervision, TDCJ Parole Division is responsible for determining the level of supervision afforded an offender.

**COMPONENTS:** When special condition "L" is imposed by a parole panel, an offender is placed on a regular caseload and remains at the maximum level of supervision until an objective reassessment by the Parole Division indicates another level of supervision is warranted.

**PROCEDURE:**

I. Imposition of Special Condition

- A. A parole panel, upon a majority vote, may impose Special Condition “L” as a condition of parole or mandatory supervision.
- B. Unless otherwise directed, any condition imposed becomes effective the date the offender is served notice of the parole panel's decision in writing.

II. Removal of Special Condition

While special condition “L” is in effect, an offender’s supervising officer may assign the offender to another level of supervision (medium or minimum), provided said reassignment is based on the Texas Risk Assessment System which assess the offender’s risk and needs. At that point in time, special condition “L” as a condition of release shall no longer be enforced.

**ADOPTED BY MAJORITY VOTE OF THE BOARD ON THE 21<sup>ST</sup> DAY OF JULY, 2016.**
