SALARY GROUP: A16

DEPARTMENT: Industry

Page 1 of 3

CERTIFICATION: I certify that, to my knowledge, this is an accurate and complete description of the essential functions and the conditions required for this position.

APPROVED BY: Bobby Lumpkin DATE: 3/07/2015

POSITION #: 024093

I. JOB SUMMARY

Performs moderately complex work in the operation of the Metal Fabrication Factory. Work involves monitoring the work of offenders to ensure efficient operations; and training others. Works under general supervision with moderate latitude for the use of initiative and independent judgment.

II. ESSENTIAL FUNCTIONS

- A. Monitors offenders in the performance of assigned tasks; develops production standards; makes recommendations on production procedure changes; monitors and reviews production to ensure quality and quantity control of finished products; and monitors machinery and equipment maintenance.
 - B. Ensures on-the-job and safety training is conducted for offender workers in methods and equipment used in production in the Metal Fabrication Factory.
 - C. Prepares reports of operations and related documents.
 - D. Maintains security of tools, machinery, and equipment; responds to emergency situations; performs various correctional and custodial support functions; and assists in maintaining security of assigned offenders.
- * Performs a variety of marginal duties not listed, to be determined and assigned as needed.
