Page 1 of 3

CERTIFICATION: I certify that, to my knowledge, this is an accurate and complete description of the essential functions and the conditions required for this position.

APPROVED BY: Bobby Lumpkin DATE: 3/29/2015

POSITION #: 024427

I. JOB SUMMARY

Performs highly complex work in the operation of the Metal Sign Plant. Work involves overseeing the work of offenders to ensure efficient operations; and supervising the work of offenders. Works under limited supervision with considerable latitude for the use of initiative and independent judgment.

II. ESSENTIAL FUNCTIONS

- A. Oversees offenders in the performance of assigned tasks and the overall processing and production of the Metal Sign Plant products; plans schedules of operations; ensures the proper maintenance of machinery and equipment; and inspects and provides technical assistance in methods and equipment used.
- B. Reviews raw material requirements; requisitions supplies, machinery, and equipment; and prepares invoices for products distributed.
- C. Prepares reports of operations and related documentation to include quality and quantity of production; and maintains evaluations and records of training activities and proficiencies.
- D. Maintains security of tools, machinery, and equipment; responds to emergency situations; performs various correctional and custodial support functions; and assists in maintaining security of assigned offenders.

* Performs a variety of marginal duties not listed, to be determined and assigned as needed.
