

Board of Pardons and Paroles Employee Assistance Program contact information

During this trying time each of us face as employees, family members and friends, we inevitably feel a wide range of thoughts and emotions. We all process these feelings and react very differently.

The Employee Assistance Program (EAP) is designed to assist staff and their families with life's difficult issues and the variety of concerns that may arrive from them.

Please feel free to contact EAP any time of the day or night (they are available 24/7, every day of the year), at the toll free number **1-866-832-5927**. The EAP program adheres to all applicable state and federal confidentiality laws.
