PROCEDURE:

- B. Voting Options – the full Board may vote FI-1, which orders the release of the offender when eligible, or FI-4R, FI-9R or FI-18R, which require the offender to participate in and complete a designated Texas Department of Criminal Justice (TDCJ) Rehabilitation Division or Windham School District program consistent with the vote type prior to their release on a specified future release date.
- II. Regular Vote
- A. When the parole panel reviews a regular vote case and determines that the totality of the circumstances favor the offender’s release on parole, the parole panel may vote FI pursuant to Texas Administrative Code Section 145.12.
 - B. Voting Options
 - 1. The parole panel may vote FI-1, which orders the release of the offender when eligible, or FI-2, which orders the release of the offender on a specified future release date.

1. Classification resulting from disciplinary actions;

- C. Program Refusal – An offender may initially agree to participate in the program but later refuse, or may initially refuse to participate in the program.
