Supersedes: August 17, 2016

BOARD POLICY

SUBJECT: SPECIAL CONDITION "T" (ELECTRONIC MONITORING)

PURPOSE: To establish Special Condition "T" (Electronic Monitoring) as a special condition of parole or mandatory supervision and to establish a procedure for imposing electronic monitoring as a condition of parole or mandatory supervision.

AUTHORITY: Texas Code of Criminal Procedure Articles 42A.301(b)(16) and 56.11(a-1)
Texas Government Code Sections 508.0441, 508.045, 508.221, and 508.227

DISCUSSION: The Texas Board of Pardons and Paroles (Board) determines conditions of parole and mandatory supervision. Except in special circumstances, Board Members and Parole Commissioners act in panels comprised of three persons, and panel decisions are made by majority vote. The Presiding Officer designates the composition of the parole panels. Special conditions are conditions imposed in addition to the standard conditions of parole or mandatory supervision. Unless otherwise provided, any condition may be imposed before or after release and shall remain in effect until specifically removed by a parole panel.

POLICY: Special Condition "T" represents a cooperative effort between the Board and the Texas Department of Criminal Justice Parole Division (Division) to minimize the threat to the community when an offender is released on parole or mandatory supervision. The Electronic Monitoring (EM) Program is designed to provide for the offender's accountability 24 hours a day, seven days a week.

At any time Special Condition "T" is in effect, the offender shall fully comply with state laws governing conditions of release as well as Board and Division policies.
