

We Hire Vets

The Office of Governor Greg Abbott and the Texas Workforce Commission have partnered with the Texas Veterans Commission to launch the “We Hire Vets” employer recognition program.

Under the program, any state agency with a workforce that consists of at least 10 percent military veterans can display the “We Hire Vets” decal on their website. TDCJ currently employs more than 5,000 military veterans, which is approximately 14 percent of the agency workforce, and is proud to be recognized for hiring men and women who have served in the armed forces.
