#### Gold and Platinum Challenges

During the second quarter, Gold Challenge participants had to earn 1,000 points during each week of the challenge, and Platinum Challenge participants were required to earn at least 2,500 points per week. Edward Hebert of the Gist Unit earned the most points among the agency's 94 Platinum Challengers, and Hospital Galveston's Darnell Jones was the points leader among 239 Gold Challenge participants. Due to the large increase in staff participation, complete lists of successful Gold and Platinum participants have been posted separately on the TDCJ website. ●
