ERS Summer Enrollment for TDCJ employees begins June 26

This year's Employees Retirement System's (ERS) online Summer Enrollment runs from June 26 to July 8. During these two weeks, active TDCJ employees may use the ERS website to enroll in new benefit programs or to change their current coverage. After July 8, employees have until July 28 to make enrollment changes through their Human Resources representative, their unit HR office, TDCJ's Human Resources Headquarters, or by calling the Employees Retirement System.

With few exceptions, Summer Enrollment is the only time of the year when you can make changes to your benefits without a qualifying life event. If you don't want to change any of your benefits, take no action and your current coverage will continue. Changes made during this year's enrollment will go into effect on September 1, 2017.

Before enrollment begins, you'll receive your Personal Benefits Enrollment Statement indicating your current benefits, along with information about Plan Year 2018 benefits. As Summer Enrollment approaches, the ERS will provide current information about employee benefits through their website.

When enrollment begins on June 26, TDCJ employees will be able to sign into their ERS account online or contact their HR representative to make benefit elections. After making your elections, you will receive an email or letter verifying your Plan Year 2018 coverage. ●
