PURPOSE: To ensure inmates have access to care to meet their serious medical, dental, and mental health needs.

POLICY:

I. Each facility will have written procedures, which describe the processes whereby inmates gain access to the care needed to meet their medical, dental, and mental health needs.

II. The facility procedures will include the following:

A. access to diagnostic services
B. providing information to inmates on how to access health services and the grievance system
C. procedures for the daily triaging of health complaints
D. the facility sick call process
E. providing health services to inmates in special housing (i.e., segregation, death row)
F. offsite specialty clinics
G. interpreter services for non-English speaking inmates
H. certified interpreter services for deaf inmates (where appropriate)
I. hospital and emergency services

III. All policies and procedures for access to care are to be developed to ensure there are no unreasonable barriers to an inmate's access to health services.
