PERSONAL HYGIENE		

PURPOSE: To encourage personal hygiene among inmates of the Texas Department of Criminal Justice.

POLICY:

- I. All inmates are provided services, items and educational materials in order to maintain personal hygiene.
- II. Each facility must provide inmates with the following items:
 - A. Soap
 - B. Toothbrush (based on specifications recommended by the Joint Dental Directors Committee as well as from the Correctional Institutions Division (CID).)
 - C. Toothpaste (based on specifications recommended by the Joint Dental Directors as well as security.)
 - D. Toilet paper
 - E. Shaving implements
 - F. Sanitary napkins and/or tampons
 - G. Laundry services
- III. General population, administrative segregation and disciplinary segregation inmates are permitted to bathe daily and are provided clean clothing on each working day, or at least three (3) times a week.
- IV. Inmates on emergency lockdown status are permitted to bathe and are provided clean clothing three times per week.
- V. Inmates must have routine access to a barber or beautician.
