CHRONIC MENTALLY ILL - SHELTERED HOUSING (CMI-SH)		

PURPOSE: To provide a structured, secure, supportive environment and ambulatory mental health services to high custody inmates with chronic mental illness.

PROCEDURES:

- I. Custody classification of inmates assigned to CMI Sheltered Housing (CMI-SH) will be Mental Health (MH).
- II. CMI-SH is TDCJ designated housing.
- III. Inmates residing in CMI-SH will be monitored on the outpatient mental health caseload and in accordance with CMHC Policy E-39.1.
- IV. Eligibility for assignment to CMI-SH will include:
 - A. Inmate must be male.
 - B. Have a chronic severe mental illness.
 - C. Have a custody classification of Restricted Housing (Administrative Segregation, or G5).
 - D. History of multiple inpatient free world and/or TDCJ psychiatric admissions or otherwise too psychiatrically fragile for General Population.
 - E. Inmate is medically stable and all of the inmate's medical needs can be met through available services at CMI-SH.
 - F. Be able to independently perform all activities of daily living (e.g. ADLs - eating, grooming, hygiene, toileting, and walking) without staff assistance and not require any skilled nursing care.
 - G. Not require wheelchair for mobility.
 - H. Must meet security requirements and be approved for reassignment by the Classification and Record Office (CRO).
- V. Referral Process:
 - A. Request for placement in CMI-SH is submitted for approval through the office of the Mental Health Services Liaison (MHSL) via EHR Select document type "MH Referral Spec Programs" and complete the referrals steps.
 - B. Admission into a CMI-SH will be dependent on space availability and coordination between the requesting Qualified Mental Health Professional (QMHP) and the office of the MHSL.
