Art. 56.06. MEDICAL EXAMINATION FOR SEXUAL ASSAULT VICTIM; COSTS. (a) If a sexual assault is reported to a law enforcement agency within 96 hours of the assault, the law enforcement agency, with the consent of the victim, a person authorized to act on behalf of the victim, or an employee of the Department of Family and Protective Services, shall request a medical examination of the victim of the alleged assault for use in the investigation or prosecution of the offense. A law enforcement agency may decline to request a medical examination under this subsection only if the person reporting the sexual assault has made one or more false reports of sexual assault to any law enforcement agency and if there is no other evidence to corroborate the current allegations of sexual assault.

(b) If a sexual assault is not reported within the period described by Subsection (a), on receiving the consent described by that subsection the law enforcement agency may request a medical examination of a victim of an alleged sexual assault as considered appropriate by the agency.

(c) A law enforcement agency that requests a medical examination of a victim of an alleged sexual assault for use in the investigation or prosecution of the offense shall pay all costs of the examination. On application to the attorney general, the law enforcement agency is entitled to be reimbursed for the reasonable costs of that examination if the examination was performed by a physician or by a sexual assault examiner or sexual assault nurse
examiner, as defined by Section 420.003, Government Code.

(d) A law enforcement agency or prosecuting attorney's office may pay all costs related to the testimony of a licensed health care professional in a criminal proceeding regarding the results of the medical examination or manner in which it was performed.

(e) This article does not require a law enforcement agency to pay any costs of treatment for injuries.
