

**TEXAS DEPARTMENT OF CRIMINAL JUSTICE
JOB DESCRIPTION**

POSITION TITLE: AGRICULTURE SPECIALIST III -
Livestock

SALARY GROUP: A16

DEPARTMENT: Manufacturing, Agribusiness and Logistics Division

Page 1 of 3

CERTIFICATION: I certify that, to my knowledge, this is an accurate and complete description of the essential functions and the conditions required for this position.

APPROVED BY: Bobby Lumpkin DATE: 11/08/2018

POSITION #: 023152

I. JOB SUMMARY

Performs highly complex agricultural work. Work involves overseeing livestock operations and planning agricultural activities to meet production goals and schedules. Works under limited supervision with considerable latitude for the use of initiative and independent judgment.

II. ESSENTIAL FUNCTIONS

- A. Coordinates and organizes agricultural activities; oversees and provides guidance and training in the general care and accountability of livestock; and oversees livestock program operations.
- B. Provides guidance and training in producing, processing, and distributing livestock, livestock feed rations, and livestock commodities; and oversees and provides guidance in breeding and in preventive medical treatment of livestock.
- C. Oversees the operation of agricultural machinery; and performs construction, repair, and maintenance of agricultural facilities.
- D. Trains and assists in developing a training program; maintains inventory of materials and supplies; and maintains records and prepares related correspondence and reports.
- E. Maintains security of tools, machinery, and equipment; responds to emergency situations; searches for escaped offenders; transports assigned offenders; and performs various correctional and custodial functions.

* Performs a variety of marginal duties not listed, to be determined and assigned as needed.

III. MINIMUM QUALIFICATIONS

A. Education, Experience, and Training

1. Graduation from an accredited senior high school or equivalent or GED and three years full-time, wage-earning experience in livestock production, livestock production agriculture programs, or farm equipment management and repair

or

thirty semester hours from a college or university accredited by an organization recognized by the Council for Higher Education Accreditation (CHEA) or by the United States Department of Education (USDE) with six semester hours in an agriculture-related field and two years full-time, wage-earning experience in livestock production, livestock production agriculture programs, or farm equipment management and repair

or

sixty semester hours from a college or university accredited by the CHEA or the USDE with twelve semester hours in an agriculture-related field.

2. Construction, maintenance, or farm equipment management and repair experience preferred.
3. Must have or be able to obtain a Texas Department of Agriculture Non-commercial Pesticide Applicator's license within six months of employment date.

Selected applicants without required license(s) must sign a *Credential Contingency Agreement* that will remain in effect only until the initially established expiration date. Failure to comply with this contingency statement will result in separation from employment. *Credential Contingency Agreements* will not be extended or renewed as a result of an employee's separation from employment or acceptance of another position.

Must maintain valid license(s) for continued employment in position.

B. Knowledge and Skills

1. Knowledge of livestock management methods and techniques to include safe and effective handling, feeding, and maintaining animal health.
2. Knowledge of agricultural facilities construction and repair methods and procedures.
3. Knowledge of pesticides and application practices and procedures.
4. Knowledge of production and safe handling of various livestock commodities.
5. Knowledge of feed production and inventory control practices and techniques.
