Agribusiness, Land & Minerals (ALM) manages 13 farm operations that oversee agricultural activities on 24 units. Additionally, the department manages two meat processing plants, a canning plant, and harvest equipment repair facility. The department also provides 40 units with security horses, which are utilized to oversee outside offender work squads and canine tracking programs.

Agribusiness Division Managers:

Mike Corley, 936-437-6651

Robert McLain, 936-437-6652

Program Supervisors:

Beef Cattle & Horses, David Gurrola, 936-437-6643

Edible Crops, Steve Ball, 936-437-6634

Entomology, Thomas Hoelewyn, 936-437-6639

Field Crops, Adam Humphrey, 936-437-6635

Poultry, Swine & Feed Mills, Kathryn Page, 936-437-6577

Production & Contracts, Leroy Hinton, 806-291-0296

Crops & Equipment manages the direct production of field and edible crops for use within the agency. Field crops include grain and hay, which are processed to feed livestock. Cotton is transferred to TCI textile mills to make offender clothing and bedding. Edible crops are produced and sent to agency food service departments to be prepared for meals or sent to the agency canning plant for processing. Crops & Equipment also includes support services such as farm shops, harvesting operations, plant maintenance operations, and pest control.

Livestock manages the commercial cow herds and stocker operations, broodmare and horse development operations, laying hen operations, farrow-to-finish swine operations, feed production facilities, and meat processing plants. These operations provide beef, pork, and eggs to agency food service departments to be prepared and served.
