

## Methodology Used for Scoring

During the FY2018-2019 grant award process, TDCJ-CJAD used four program performance measures to determine program funding, with recommendations from TCFV for performance measure weights for scoring. The four performance measures were as follows:

1. The two most recent BIP Program audit scores,
2. BIP Program completion rates,
3. Timely and accurate submission of monthly data reports,
4. Timely completion of financial quarterly reports
