

Senate Bill 44

Introduction

The Texas Council on Family Violence (TCFV) pursued the passage of this legislation in order to establish a system that would create a mechanism through which all individuals or programs working with family violence offenders would need to be accredited as functioning in compliance with the Battering Intervention and Prevention Project (BIPP) Guidelines. You may obtain a copy of these guidelines at www.tdcj.texas.gov/cjad/cjad-home.htm under the fact sheets and publications section or by contacting Eduardo Montiel at 512-463-9465.

Senate Bill 44

This bill relates to the provision of intervention or counseling services to certain persons who have committed family violence and to a process for accrediting those services.

Beginning **September 1, 2008**, if a court grants community supervision to a person convicted of an offense involving family violence, as defined by Section 71.004, Texas Family Code, the court may require the defendant, at the direction of the community supervision and corrections department officer, to attend either a:

1. Battering Intervention and Prevention Program, defined by Texas Code of Criminal Procedure, Article 42.141;
or
2. A program or provider that has begun the accreditation process.

If an accredited program or provider is not available, the defendant may attend counseling sessions with a licensed counselor, social worker or other professional who has completed family violence intervention training that is approved by the Texas Department of Criminal Justice -Community Justice Assistance Division (TDCJ-CJAD).

Beginning **September 1, 2009**, a BIPP program or provider serving as a referral option for the courts must be accredited.

Adoption of the Battering Intervention and Prevention Project Guidelines

No later than **April 1, 2008**, TDCJ-CJAD shall adopt guidelines required by Section 4A, Article 42.141, Texas Code of Criminal Procedure and shall accredit programs and providers providing battering intervention and prevention services that are conforming to those guidelines.

Before adopting program guidelines, the licensing authorities described by Chapters 152, 501, 502, 503, and 505, Texas Occupations Code¹, will be notified by TDCJ-CJAD that it is considering adopting program guidelines and invite the licensing authorities to comment on the program guidelines.

TDCJ-CJAD and TCFV are in the process of identifying which Battering Intervention and Prevention Project (BIPP) Guidelines will be adopted for use with the accreditation of programs that provide direct services to family violence offenders.

TDCJ-CJAD and TCFV are accomplishing this task through committees comprised of professionals from Community Supervision and Corrections Departments, TDCJ-Parole Division, family violence advocates, batterers programs, and the licensing authorities of Chapters 152, 501, 502, 503, and 505 of the Texas Occupations Code.

¹Texas Occupations Code: 152 – State Board of Medical Examiners, 501 – Psychologists, 502 – Marriage & Family Therapists, 503 – Licensed Professional Counselors, and 505 – Social Workers.

Accreditation Process

TDCJ-CJAD is also in the process of adopting an accreditation process to begin **September 1, 2008**. This task is also being accomplished through committees comprised of professionals from Community Supervision and Corrections Departments, TDCJ-Parole Division, family violence advocates, batterers programs, and the licensing authorities of chapters 152, 501, 502, 503, and 505 of the Texas Occupations Code.

Currently, TDCJ-CJAD funds 27 Battering Intervention & Prevention Programs. They are located in the following jurisdictions:

County	Program	Telephone #
