RE: FY20 Funding Summary

District and County Court Judges Trying Criminal Cases,

The Texas Department of Criminal Justice-Community Justice Assistance Division (TDCJ-CJAD) has released FY20 funding amounts for community supervision and corrections departments (CSCD). In summary, the statewide biennial appropriations are as follows:

- Basic Supervision (BS) funding decreased by approximately \$3.2 million (2.3%) based on population projections. The BS allocation formula includes misdemeanor placements and average direct felonies supervised for calendar year 2018;
- Community Corrections (CC) funding remained at FY18-19 appropriation levels. The CC allocation formula includes average direct felonies supervised and civil population residing in the counties served by the CSCD for calendar year 2018;
- Diversion Program (DP) funding increased by \$4.0 million biennially due to an infusion of Pretrial Diversion (PTD) funds; and
