RE: FY20 Funding Summary

District and County Court Judges Trying Criminal Cases,

The Texas Department of Criminal Justice-Community Justice Assistance Division (TDCJ-CJAD) has released FY20 funding amounts for community supervision and corrections departments (CSCD). In summary, the statewide biennial appropriations are as follows:

- Basic Supervision (BS) funding decreased by approximately \$3.2 million (2.3%) based on population projections. The BS allocation formula includes misdemeanor placements and average direct felonies supervised for calendar year 2018;
- Community Corrections (CC) funding remained at FY18-19 appropriation levels. The CC allocation formula includes average direct felonies supervised and civil population residing in the counties served by the CSCD for calendar year 2018;
- Diversion Program (DP) funding increased by \$4.0 million biennially due to an infusion of Pretrial Diversion (PTD) funds; and
- Treatment Alternatives to Incarceration Program (TAIP) funding remained at FY18-19 appropriation levels.

The table below summarizes Hood County CSCD's FY20 funding amounts.

Fund Type/Program Title	FY20 Funding Level	Percent Change From Prior Year Funding
Basic Supervision	\$175,316	-10%
Community Corrections	\$92,156	1%
Dedicated Salary	\$26,603	0%
Total	\$294,075	-6%

A 10% loss limit was applied for FY20 Basic Supervision funding. Without the 10% loss limit applied, the CSCD would have experienced a 10.51% decrease in Basic Supervision funding due to a decline in misdemeanor placements, average direct felonies supervised by the department, or both. The loss limit will not be applied to any CSCSD in FY21.

---

Community Justice Assistance Division  
Carey A. Green, Division Director
