## AUDIT FINDINGS

### NARRATIVE:

The PREA audit of the Mark W. Stiles Unit- Beaumont, Texas was conducted on September 8-10, 2014 by Wynnie T. Samuels (Lead Auditor) and Isaiah Dennard (Team Auditor). During the three days, the auditors toured the institution and conducted formal staff and inmate interviews. Sixty (60) random inmates from all of the housing units, 8 specialized staff and 50 Correctional Officers, and 25 support staff to include volunteers and contractors, were questioned about PREA training, how to report, to whom to report, filing reports, available interventions, conducting interviews, evidence collection, follow up and monitoring retaliation. During the conduct of the audit the following were present: Regional Director Mr. Echessa, Warden Mr. Carter and his Command Staff. All specialized staff were interviewed to include Ms. Garrison, SANE/SAFE Nurse Examiner. All SANE/SAFE exams are performed at the Baptist Hospital, in Beaumont, Texas.

### DESCRIPTION OF FACILITY CHARACTERISTICS:

The auditors found the staff and inmates to be aware of PREA. The staff was very knowledgeable about their responsibilities to ensure a safe facility. They were aware of reporting responsibilities, preservation of evidence, as well as dealing with victims of sexual assault and/or sexual harassment. The Medical and Mental Health staff did an exceptional job providing additional educational training to all staff on how to identify signs of sexual assault/harassment and specialized staff on how to deal and treat victims of sexual assault and or sexual harassment.

## **SUMMARY OF AUDIT FINDINGS:**

The Facility has had no accusations of staff sexual harassment or sexual abuse. Stiles did conduct 11 investigations of sexual abuse (inmate on inmate). All eleven of these accusations came to the attention of the institution in anonymous notes to the Administration. In each case the OIG conducted extensive interviews with the alleged victim and the alleged perpetrator. The eleven cases were all found to be unsubstantiated. In each case the investigation followed the Agency policy/guidelines of handling sexual assault/abuse accusations. It should be noted that the Warden, Command Staff, Compliance Manager, and Medical/Mental staff continued to monitor the alleged victims and alleged abusers long after the conclusion of the investigation(s) concluded.

On September 8 - 10, 2014, an onsite visit was completed at Mark W. Stiles Facility in Beaumont, Texas. The results indicate:
